Rachel Stone Accepts New Position as ISD Curriculum Planner

Rachel Stone has accepted a new position at the Indiana School for the Deaf (ISD). Stone, who joined the ISD staff in 1990 as the Assistant Superintendent for Education, will assume responsibilities as the school's "Curriculum Planner." Working within the Learning Resource Center, Stone will:

- Organize and facilitate committee work for curriculum development, per the ISD 5-year plan;
- Ensure that curricula comply with Department of Education regulations;
- Coordinate the preparation of committee reports and curriculum;
- Plan and work with staff to disseminate and explain curriculum;
- Plan and train staff regarding use of new curriculum, applying innovative bilingual and bicultural teaching approaches.

Stone's interest in program development, and her understanding of the school's present need for continued work in the area of curriculum, have led her to this decision.

Stone will resume her doctoral studies which she had temporarily suspended. Her goal is to complete all her course work and receive her degree in 1995.

Stone stated that the past three years as Assistant Superintendent have offered her a unique opportunity to begin the implementation of bilingual/bicultural philosophy at ISD. "I am confident that the school's transition is well under way and feel that I am ready to make contributions to the vision in a different capacity."

Miyamoto Reappointed

Indiana Governor Evan Bayh has reappointed Dr. Richard Miyamoto to ISD's Advisory Committee.

Summer Work Program

A group of nineteen ISD students spent their summer vacations working at ISD from 8:30 to 3:30 Monday through Friday in ISD's Summer Work Experience. The program is open to students at least fourteen years old who are able to arrange for their own transportation to campus. They received \$4.24 per hour for their efforts. The students learned a variety of work skills (including the ability to figure exactly how much money they would receive on their paychecks).

Before the Summer Work Experience starts, time is spent in getting all aspects of the program ready. Besides arranging transportation, the students must complete work permits and return them to the Department of Labor. Work projects were planned with supervisors and the Maintenance Department. While preparing for this year's Sesquicentennial, students learned refinishing skills. Old pieces of furniture were collected from across campus through a special project coordinated by David Reynolds. The students' finished pieces are housed in the Visitor and Information Center (VIC), the Alumni Room, and

BIBI Thought for the Week:

"The CIT recognizes the minority status of Deaf people and the long history of linguistic and cultural oppression that they have endured. We therefore publicly proclaim our respect and support for Deaf people's right to self-determination and true communication access."

Rita Mowl	Teacher Middle School	August 18
Raquel Eaton	Fair Hall RA	August 18
Nefitiri (Tiri) Fellows	Koob Hall RA	August 18
Chris Fetzer	Family Resources	August 16
Theresa (Terri) Motter	Psychology Intern	August 18
Penni-Jean Smith	Teacher's Assistant K - 5	August 18
Marshall Williams	Maintenance Repair	August 16

More information about these new employees will appear in future CB's.

Room Requests & Reservations

The Visitor and Information Center will be responsible for scheduling and coordinating all room requests. Please contact VIC, ext. 418 TTY/Voice, to submit requests. Space for meetings is limited so please send requests as early as possible.

Attention:

ISD's 0 - 5 year program, formerly called "preschool" is searching for a new name. As ISD goes through transition, the Center would like to find a term to describe its mission. Any suggestions or comments may be passed along to Louise Fitzpatrick, Acting Director, 0 - 5 Center.

Yearbook pictures of students and staff will be taken on Wednesday, September 29, and Thursday, September 30. Watch the Campus Bulletin for more information.

Reminder: If staff members schedule a meeting with parents and something occurs that requires the meeting being cancelled, please try to give at least 24 hours notice.

Marsh & Kroger Programs End

Marsh grocery's "Computers for Education" program is over. K-5 computer teacher Elizabeth Foster reports that receipts collected have been redeemed for food coupons. The program came to an end before enough receipts were accumulated to qualify for a computer.

The Kroger program was completed in June 1992. Proceeds were used to purchase computers and supplies for the K-5 computer classes.

Thanks ISD! Support for both of these programs was welcome and is very much appreciated.

Thanks

High School Supervising Teacher Linda Lloyd has donated a Pentax 35mm camera with auto-flash, wide angle and regular lenses to the Vocational Department for use by the Yearbook students and staff.

ISD appreciates Linda's generosity!

THANKS from the 0 - 5 years Center to:

Pam Burchett, Social Worker, for donating a beautiful table and four chairs to ISD's Parent's Room.

Kay Sellers, Vocational Teacher, for a nice lamp.

Pamela Haring, ASL Teacher, and Kathleen Walters, High School Secretary, for their donation of toys.

Ann Titus, Transition Consultant, and Mrs. Cordano, 2 year old ISD student Tony Dall's grandmother (a graduate of the Nebraska School for the Deaf). Both made and donated quilts to the 0-5 Center.

Parent volunteers Kevin and Sharon Schuitema, Lori Dille, Julie Brink, Lori Crohn, Barb Wilkerson, and Rose Miniard for making the first week of school run smoothly (lunch count, daily attendance, clean up, typing, organizing files and playing with the children). The 0-5 Center welcomes Parent Volunteers!!

ISD graduate and Gallaudet student Nola Schriver for volunteering in Teacher Teri Paulone's room.

Thanks and welcome to ISD students, **Jennifer Brezinski**, **Christy Ray** and **Stacey Pinkerman** for helping Center teachers and staff. These students will continue their efforts this semester.

Summer Work

Continued from page 1

Superintendent Laird's Conference Room. Please take a moment to admire the quality of workmanship achieved by the summer crew.

Some other visually-pleasing additions to campus were accomplished by the student employees. The basketball court behind the residence halls has a new and vivid appearance.

The design work for this project was created by Shane Taylor. The student employees followed Shane's design to make the court a real eye-catcher (curbs and parking lines were also painted to make the parking area more manageable).

Three other areas of campus were improved during the extreme heat of the summer.

Two new flower beds were added near the front and side entrances to Caskey Gymnasium.

The largest landscaping project, based on an original design by Dan Stutler, was built behind the Residence Halls and was made possible through the financial support and encouragement of Assistant Superintendent Dan Fitzpatrick.

Another project that may not necessarily stand out but which also helped to contribute to the beautification of the campus was the hours (and hours and hours) of cleaning in various buildings on campus. Student employees washed walls, lockers, desks, banisters, and a variety of other items.

A special thanks to the job coaches who helped to make this summer's experience a rewarding one. Donna Stutler, Hymie Valadez, Melba Scalf, Nicholas Gulde, and Dan Stutler all provided support and guidance for their student employees.

The students who participated were:

Asmani Aluta	Shon Breland	Melita Brown
Marvin Cooper	Heather Cronin	Omar Dillard
Jackie Eakes	Maranda Hall	Elisha Jones
Ryan Gedek	Tynkia Kendrick	Kamaria Kirkland
Zakiya Nelson	Julie Reis	George Smith
Michael Smith	Kristen Stevens	Shane Taylor

Tech Prep: What Does it Mean?

Many of you are asking what the term "Tech Prep" means. Is it just a new "buzz word" that educators have invented to represent the same old watered-down curriculum? Will it really change the way students are taught? How will it affect students at ISD?

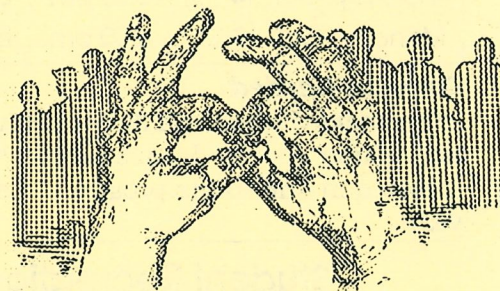

Tech Prep IS...

- ◆A road to educational reform.
- ◆A joint curriculum among high schools, colleges, and technical schools.
- ◆A road to an associate's degree and possibly more advanced degrees.
- ◆Partnerships between all levels of education, business, industry and labor.
- ◆Preparation for employment, careers, continuing education and life.
- ◆A planned sequence of courses.

Tech Prep is NOT...

- ◆The same old approach to education but with a new name.
- ◆Vocational/technical training only.
- ◆A dead-end education program.
- ◆An isolated "track" approach to education.
- ◆Entry-level job preparation only.
- ◆A temporary "quick-fix" that will soon disappear.

Superintendent Laird has embraced this new approach to education. Staff members from the high school and vocational departments have formed a Steering Committee to begin developing a strategic plan for Tech Prep at ISD. Other staff, students, parents, and business representatives will be invited to join the development of curriculum as Tech Prep progresses. More information will be forthcoming in the Campus Bulletin. If you have questions, or as parents or students are interested in serving on the Steering Committee, please contact Dan Stutler at (317) 924-4374, extension 152 TTY/Voice.

Through Identity, Pride

Notes From Dan Fitzpatrick, Assistant Superintendent for Student Life

Football

We have decided to cancel our first football game against the Model Secondary School for the Deaf. At this time, we have fifteen students eligible to play. Seven of these students have never played high school football. We have a total of twenty-two team members, but Indiana High School Athletic Association (IHSAA) rules require a minimum of ten practices before players are eligible to compete in sanctioned competition. For this reason, we will not begin our season until the away game with North Decatur next Thursday at 7:00 pm. We will then continue with the rest of the football schedule.

There has been conflicting information about our Homecoming football game. It has now been confirmed for October 2, against the Maryland School for the Deaf at 7:30 pm. I should let you know that they have the same school colors and mascot as we do. The Homecoming committee will be sharing more information with you in the future.

We originally planned to have our Middle School football team join a league designed for 5th & 6th grades and 7th & 8th grades. However, after more detailed league information was obtained, we found that several of our boys would be ineligible due to age and weight restrictions. Therefore, we have put together a schedule of our own for our grades 6 - 8. If any of the 5th grade parents want their child to play, they are welcome to join us. Please contact me or the Middle School football coach, Jonas Fenicle, Dean of Fair Hall. The Middle School Football schedule (subject to change without notice) is as follows:

Thursday, Sept. 16	6:30 pm ...	Eastside Christian Park A	Home
Wednesday, Sept. 22 ..	4:30 pm ...	Orchard/Park Tudor	Home
Wednesday, Sept. 29 ..	4:45 pm ...	Keystone Middle School	Away
Tuesday, Oct. 5	5:00 pm ...	Franklin Township Middle School	Away
Thursday, Oct. 14	6:30 pm ...	Eastside Christian Park B	Home
Monday, Oct. 18	6:00 pm ...	Edinburgh Middle School	Away

Coaches Needed

In the next CB you will find a listing of coaching vacancies for our Fall and Winter sports. Please consider these opportunities to become involved in our sports program. Let's work together to have a great year!

4H Fair

Congratulations are in order for Yvonne Catt, Dean of Koob Hall, for her coordination of the 4H fair exhibitors who stayed in ISD's dormitory during the State Fair. Their leader reported to me that everything was perfect. Thanks Yvonne!

Registration

I would also like to thank my secretary Melba Bippus for her coordination of registration day. The registration procedure has been in transition for the past two years. I want to inform you that there should be even less paper-work involved next year as most of the information will be gathered at the spring Annual Case Review conferences. Good job, Melba.

Acting Dean of Willard and Raney Halls

April Bippus is now Acting Dean of Willard and Raney Halls,. She will be working with elementary students. April has a B.A. in Psychology and an M.A. in Developmental Psychology. She worked last year with Yvonne Catt in Koob Hall. If you have any concerns, please feel free to contact her.

Athletic Director

Mike Paulone has returned to a classroom position in the Middle School department. ISD wants to thank Mike for all of his work last year as acting Athletic Director. Mike is the head coach of this year's Varsity football team. Dan Fitzpatrick is now assuming the duties of Athletic Director with Teacher Jess Blackwell's assistance until the position is filled.

Student Recreation Fund (SRF) Uses & Educational Fees 1993 - '94

SRF fees fund a variety of educational, recreational, and athletic activities which enhance standard school activities, including certain field trips; parties and other social gatherings; intramural sports (soccer, volleyball, basketball, etc.) organized in addition to ISD's IHSAA sanctioned teams.

Depending on classes, parents may incur other expenses including:
